Specializing in Foam Fabrication

ANTI-FATIGUE MAT

Earth Edge's newest product is the Anti-Fatigue Mat, an innovative mat to prevent feet and leg fatigue and achiness. Made of NBR and protected with Microban, the Anti-Fatigue Mat can be a lifesaver for people who spend hours standing on hard surfaces-- plumbers, carpenters, production workers, cashiers, etc.

FEATURES & BENEFITS

- 3/4" thick for comfort
- Made of NBR rubber (contains up to 20% internally recycled material)
- Impregnated with Microban to avoid mold and mildew
- Comes in 2'x 3' and 3'x 5'
- Washable, resists industrial chemicals, grease and oil
- Negligible volatile organic compounds (VOCs)
- Custom mat sizes available
- Made in USA

Earth Edge manufactures a variety of products, specializing in foam fabrication.

Earth Edge is determined to produce environmentally friendly products. As well, we are focused on creating products with recycled content which has kept millions of pounds of scrap materials from being dumped into our landfills.
